SUMMARY

I'm a recent Le Wagon graduate who has always been interested in coding and decided to start my coding journey last year. Since then, I haven't been able to stop working and learning new technologies on a daily basis. I particularly enjoy the backend because it's challenging to build functions and algorithms, but I'm also a big fan of design and making everything look awesome.

EDUCATION

> Le Wagon Full-Stack web developer Bootcamp | Madrid | 2021

A 9 weeks of intensive coding where i've learnt HTML, CSS, JS, ES6, PostgreSQL, SQL, git, GitHub, Heroku, Ajax, Ruby and Ruby on Rails.

> Deusto Formation Development of applications for mobile devices | Online | 2019

A 200h course about web applications and native applications for android with AndroidStudio, html for mobile, css for mobile and Javascript + JQuery.

> University Antonio de Nebrija Computer Security (IFCT0109) | Online | 2019 - 2020

A 420h course where i learnt about risk management, data protection, cryptography and business security and control.

> Group Femxa COMM061PO POSICIONAMIENTO EN LA WEB PARA EL EMPRENDIMIENTO | Online | 2020

A 90h course about SEO and the use of social medias to boost a business visibility and impact.

> Wordpress
> Photoshop

WHAT I'M PROUD OF

My courage

to always leave my comfort zone. I'm not afraid to do whatever I need to do to achieve my goals!

My Focus & Persistence

Despite any hard situation, I keep my focus on my goals and always move towards them.

ADDITIONAL INFORMATION

I now reside in Málaga, Spain, but I am prepared to relocate anywhere in Europe in order to broaden my horizons and meet new people. Since Covid has made things a little tough this last year, I'm also willing to working remotely.

Also, I'm fully vaccinated.

I have driver license.

I'm 22 years old.
